

Holt Community Primary School Newsletter Summer 4 22nd May 2022

Year 6 have been investigating how changing the shape of a piece of plasticine could affect water resistance.

Children are invited to wear red, white and blue clothes on Friday 27th May for the Jubilee celebrations. We will also be holding a street party for the children in the junior playground. We will not be serving hot meals on that day. Children are invited to bring a packed lunch or order a Jubilee lunch box. If you wish to order your child the special 'Street Party' lunch you needed to have complete and returned the order slip by last Friday 20th May.

Year 2 have been learning all about how palaeontologists use fossils to learn more about dinosaurs. They made their own salt dough mixture and then pressed parts of toy dinosaurs into the dough to make an impression.
