

Holt Community Primary School Newsletter Summer 6 19th June 2022

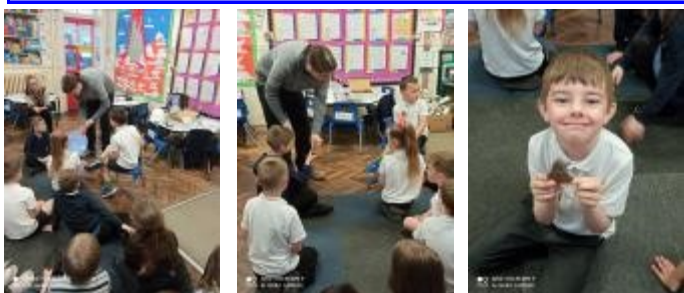

YR performed an amazing version of The Little Red Hen for their first ever class assembly - well done.

Y6 had a great time taking part in Gresham's STEAM competition. They programmed robot spheres, built boats and made electro-magnets all while testing their teamwork skills. Well done to the winning team - Fraser, Millie and Laila - who have been invited back to take part in the final against other schools.

It was lovely to welcome Father Howard back to school to restart his regular assembly slot.

Year 2 welcomed a palaeontologist to their class last week. Mr Whitmore gave them a talk about being a palaeontologist and he showed them some of his fossils. The children asked him lots of impressive questions and he also identified some of our finds. It was an absolutely fantastic learning experience for us all.

The GoGo Dinosaur trail starts in Norwich on 27th June and our amazing dinosaur, Arty McArtsy, will be displayed in House of Fraser, Chantry Place. There will be 55 large T-Rex and 100 Breakasaurus sculptures displayed in Norwich, as well as 24 Steppe mammoths around the county. Trail maps will be available soon from the GoGo Discover website or app. Thank you again to the Friends of the school, Holt Bookshop, Gordon and Eddie Kidd and Woodrow Builders for their contributions which enabled us to take part in the project.
