

Wolterton Class Newsletter - Spring Term

Welcome to this Spring Term newsletter from Holt Primary's Y4 class, Wolterton.

I'm already planning on seeing as many of you as possible in the week beginning 6 February for parent/teacher meetings - do contact me if you haven't had an opportunity to book a slot yet.

We are hoping to put on a play for parents of Y3 and Y4 pupils on the morning of 8 March - please keep that day free. Long reports will be written at the end of term and distributed early in the summer term.

This terms' topics are Empire; Electricity and Light. The play will give a brief glimpse of the British Empire that was.

Please continue to record reading in your child's planner, signing it every weekend. Planners are checked on Mondays. Spelling homework is handed out on Fridays and tested on Wednesdays - please return the spelling sheet then. All children should be practising multiplication tables with you three or four times per week - the government's assessment is in early June.

If you can't see your child's achievements on class dojo, download the app. to your phone and email for instructions.

I always welcome questions by email. If you can't catch me at the school gate at 0845 every morning, do use ssutcliffe9nr9@nsix.org.uk

Dates

WB 6.2 P/T meetings
10.2 End of T2a
20.2 Start of T2b
2.3 World Book Day
8.3 9.15 Y3/4 Play
17.3 Red Nose Day
31.3 End of T2b
13.3 U9 Netball
20.3 U9 Golf
27.3 Junior xCountry
18.4 Start of T3a

Some children will be involved in sporting competitions as the weather starts to improve (!). A small number of children may take part in a netball competition, although this doesn't happen every year. If your child did well at the last cross-country at Beeston, they may well have another competition to go to - give them plenty of practice running just short of a mile. Slightly more children will go to a golf competition: we have already started preparing for that.

Thank you! Mr Sutcliffe, Mrs Turner and Mrs Kidd
