

# Bayfield Class News

Summer Term 2023

## Our Topics

**Traditional Tales-** We will use Traditional tales to inspire our learning and will finish by performing one of them for our class assembly! (Wednesday 14th June)

**People Who Help Us-** We will learn about how people help us in our community.

We are going to visit Cromer Museum and Cromer seafront for our summer school trip where we can focus on life saving at sea past and present.

## Phonics

We will continue recapping initial phonemes as well as the digraphs/trigraphs from Level 2 and 3 and use these to read and write simple words and sentences.

We will begin Level 4 phonics which will teach us about using adjacent consonants.

Information will be added to your child's sound book each week.

## Reading Books

Please don't worry if your child has chosen a book they have already read. There is still so much that they can practise and enjoy.

## Warmer weather (hopefully)

Please can your child bring a named sunhat to keep in their drawer. Please apply sunscreen before school. On very hot days we try to keep children in the shade as much as possible.

If you have any questions please don't hesitate to speak to us.

Thank you

Mrs Longwell and Mrs Simmons
