Newsletter Autumn 3

25th September 2023

Year 3 have been making fossils as part of their science topic

Year 2 have been looking at the headteacher log books from 1910 to 1965. There were lots of interesting photos and newspaper cuttings too. They also made aerial view plans of their classroom using lego and shapes.

Budgens' Carpark Permits

Budgens have kindly offered the school a small number of parking permits to be used in their carpark at pick up and drop off time. These are for use by parents who live outside of Holt, who regularly pick up or drop off their children at school. As there are only a limited number of permits available we have decided to prioritise families with younger children. Please email the School office if you would like to be considered for one of these permits. We would like to thank Budgens for their generous offer.
