

Holt Community Primary School Newsletter Summer 4 20th May 2024

Y5 have been investigating physical coding with Crumble kits. They were able to write code to make the 'sparkles' (LEDs) light up and flash various colours and patterns. These will then be added to their moving vehicles.

We have extended the after school provision to 5 days a week and they now run from 3pm-5pm every day. Please use ParentPay to book your child onto any of these sessions. The sessions will be £5 per child and include a snack and drinks. If you would like to know more about this please contact the school office.

Y6 worked hard and used their woodwork skills in DT to design and build their own moving vehicles. We would also like to say well done to everyone in Year 6 for their hard work during SATs week.

Year R had a lot of fun with the parachute in the playground last week.
