

Holt Community Primary School Newsletter Summer 7 19th June 2024

We were joined by two award winning authors, Jill Michelle Smith and Jennifer Watson who came to talk to us about fossils of creatures that once lived in Norfolk in prehistoric times. They showed us some of the fossils and the children did an amazing workshop to make their own squid-like belemnite. We would like to thank Holt Library who organised the workshop. They will also be organising a Prehistoric Quest around Holt during the Summer holiday.

Artist Mary Blue came to work with the whole school during the Art day. She showed the children how to paint a self portrait in the style of German Expressionism. A selection of these portraits will be chosen to be displayed as part of the Holt Festival. We would like to say thank you to all of the volunteers and students from Gresham's school who helped during the day.

Year R put on a lovely assembly retelling the story of The Gingerbread Man.
